The checking account can be with any financial institution in the United States.

To enroll in the Automatic Utility Bill Payment program, simply complete the required information below, attach a voided check, and return to the Village of Channahon Finance Department. I hereby authorize the Village of Channahon to electronically transfer funds monthly from my bank account for my utility bill account for the total amount due. I agree to maintain sufficient cleared funds in my deposit account to cover these electronic transfers. In the event that an electronic transfer is not possible because of insufficient funds in my account, I understand that it will be my responsibility to make up the payment and I may be charged a non-sufficient (NSF) fee and a late payment fee.

Channahon utility customers must continue to pay bills until confirmation from the Village of Channahon is received, including the transfer start date. This authority is to remain in full force and effect until the Village of Channahon has received written notification from me of its termination in such time and in such manner as to afford the Village and Depository a reasonable opportunity to act on it.
