

FALL LEAF COLLECTION

Fall leaves are scheduled for pick up by Waste Management from October 1 to November 30. Leaves must be in biodegradable bags and placed out for collection with your regular garbage; no prepaid sticker is required on the regular pick up day.

There is unlimited leaf collection on Saturday, November 8 and 22. Leaves for this collection can be placed in any rigid container that is 32 gallons or less, or biodegradable bags and must be at the curb by 5:30a.m. No prepaid stickers required.

Plastic bags are not acceptable at any time.
