

CLASS TITLE: LABORER (seasonal/part time)
SALARY RANGE: \$ 12.00 per hour

DEFINITION & PURPOSE:

This is a supervised part-time or temporary position, reporting directly to the Utilities and Streets Superintendent. This position involves providing maintenance assistance to Village grounds and properties.

CHARACTERISTICS, FUNCTIONS & DUTIES:

Assigned duties such as, but limited to; mowing of grass; water flowers; trimming trees and bushes; general lawn maintenance; light cleaning and painting of Village properties; street sign installation; patching of holes on Village streets; clean-up of Village rights-of-way; water and waste water system maintenance.

A high degree of confidentiality is required for all Village positions.

KNOWLEDGE, SKILLS & ABILITIES:

The incumbent of this position must be able to work independently; operate power equipment used for lawn work and trimming; knowledge of general maintenance; Valid Driver's License required.

SUGGESTED EXPERIENCE & TRAINING:

Past experience with lawn equipment.

APPLICATION:

This specification is intended to identify the class and illustrate the kinds of duties that may be assigned to its incumbents. It should not be interpreted as describing all the duties whose performance may ever be required of such an employee or be used to limit the nature and extent of assignments such an individual may be given.
