About Northern Illinois Food Bank

Northern Illinois Food Bank leads the northern Illinois community in solving hunger by providing nutritious meals to those in need through innovative programs and partnerships. Since 1983, food manufacturers, local groceries, corporations, foundations, and individuals have come together to donate food and funds, and evaluate and repack food for distribution to 800 community food pantries and feeding programs serving more than 71,500 hungry neighbors each week across 13 counties. That commitment provided 57 million meals to those in need last year. Find out how you can Volunteer, Donate, and Get Involved at www.SolveHungerToday.org.
