TROY TOWNSHIP, SHOREWOOD, IL - On Thursday, February 4, 2016, Highway Commissioner Thomas R. Ward and Township Supervisor, Joseph D. Baltz, notified Will County that it will end its participation in Will County's Electronic Recycling Program at the end of February, 2016.

"With the new anticipated changes in the sorting requirements and the requirement to store a semi-trailer on our site we had no choice but to close our drop-off site. We believe it to be unjust for the tax payers of Troy Township to bear the burden of funding the added expense as we would need to hire additional staff and either secure additional space or make improvements to existing space to accommodate the changes" said Highway Commissioner Thomas R. Ward.

"This was an incredibly difficult decision to make," Ward further stated "we have been a drop-off site for Will County's electronic recycling program since its inception and know first-hand how much a program of this nature benefits the community."

Supervisor Joseph D. Baltz stated "the Township is committed to exploring other alternatives for Troy Township residents with regards to electronic recycling and we will update our website in the near future with information on where residents can take their electronic recycling."

The Troy Township Highway Department will continue to accept items for electronic recycling until February 27, 2016 on the following dates and times:

- Monday, February 1st to Friday, February 5th 7:00am – 3:00pm
- Saturday, February 6th 8:00am – 2:00pm
- Monday, February 8th to Friday, February 12th 7:00am – 3:00pm
- Monday, February 15th to Friday, February 19th 7:00am 0 3:00pm
- Saturday, February 20th 8:00am – 2:00 pm
- Monday, February 22nd to Friday, February 26th 7:00am to 3:00pm
- Saturday, February 27th 8:00am to 2:00pm

Saturday, February 27th will be the last day that electronic recycling will be accepted at the Troy Township Highway Department which is located at 25358 W. Seil Rd., in Shorewood. More information on what items can be accepted for electronic recycling can be found at www.troytownship.com and questions can be directed to 815-744-1968.
